

## The Men of Genesis

### *Abraham 2*

Context: In Genesis 12: 1-3 we read of a great promise to Abraham. Read it.

*What is the promise? To whom is the promise given and for whom?*

Consequences: What happens to Abraham? Read Gen 15: 6 and Rom 4: 1-3. Was Abraham saved? How? Works or Faith? Yet what happened in his walk with God? Was he perfect? Read Acts 8:4.

*Does the church always act according to God's perfect plan? Will God's plans fail because of this? Are God's plans dependent upon man or HIM?*

God's faithfulness: Rev 5. This is the end...what happens?

Our Response: How we respond to His goodness...

*How does this give us peace or energy and fuel to go on? How does this give us confidence when we sin or mess up? Does this give you courage to attempt great things for Him? Does this give you the freedom to try new ideas and take some risks?*

Prayer:

*Ask the Holy Spirit to reveal where you could be more active in His plan. Ask Him to give you His courage to take risks and do something for His church and His people. Finally, pray that God would put ONE family in your life to invite to church.*
